## VISION

To create better facilities and ambience for advance level of teaching and practical training for attracting best students and greater emphasis on research and collaborative works with industries and other institutes.

To provide pro-eminent educational experiences which stimulates accountability to satisfy the needs of century and prepare our students for leadership in their profession and society.

## MISSION

To provide best in class facilities of teaching and practical training to the UG Students. By developing technical manpower through interactive communication, training, short-term courses, seminars, group discussions, mock-interviews, etc. In Collaboration with industries and academic institutions for providing of real time projects. To inculcate professional behavior, strong ethical values, innovative research capabilities and leadership abilities.

## VISION, MISSION OF DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

### VISION:

To prepare graduates for a rapidly changing technological field and the faculty is to strive continuously in pursuit of excellence in education, research and train the students in a technically sound and challenging manner to pursue professional careers to solve problems relevant to the best industrial practice of Electrical and Electronics Engineering scheme.

### MISSION:

The Department of Electrical and Electronics Engineering provides a progressive environment for learning through systematic teaching methodologies, rigorous practical training and contemporary curriculum.

Actively engage and mentor students in scholarly and creative endeavors to develop the ability to navigate through a rapidly changing technology and society.

Faculty dedicate through excellence in teaching, exemplified by a free exchange of ideas, fostering new understandings through the research and creativity.

## VISION MISSION OF DEPARTMENT OF MECHANICAL ENGINEERING

### VISION:

To be an eminent centre of excellence in the field of Mechanical Engineering, where teaching, learning and research synergize to deliver technical education and scientific research for public good.

### MISSION:

To contribute quality education to create efficient Mechanical Engineers who can compete at the global level.

To build State-of-the-art research facilities of Mechanical Engineering in order to enable the faculty and students to learn and disseminate knowledge and innovate in their applications.

To foster the spirit of entrepreneurship and encourage consultancy to enable all round personality development in the students.

To improve communication skills to excel in higher studies and placements.

To facilitate team work culture and improve the social standards and quality of life to the graduates.

To improve the research activities of the students.

## VISION, MISSION OF DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

### VISION:

To produce High Quality, Technically Competent Electronics and Communication Engineers capable to efficiently addressing the Technical challenges in real World with Values and good Ethics.

### MISSION:

To Ensure quality of education in fundamentals like basic sciences, mathematics, electronics and communication engineering through the innovative teaching-learning processes.

To encourage creative thinking through innovative and group work exercises which enhance the entrepreneur skills, employability and research credentials.

To inculcate teamwork, imbibe leadership qualities, professional ethics and social responsibilities in the students and faculty.

## VISION, MISSION OF DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

### VISION:

To become a center of excellence the Computer Science and Engineering discipline with a strong research and teaching environment.

### MISSION:

To provide quality education and generate new knowledge by engaging in cutting edge research and by offering state of the art undergraduate, post graduate, leading career as computer professionals in the widely diversified of industry, government and academia.

To promote a teaching and learning process that yields Advancements in state of art in computer science and engineering in integration of research result and innovative into other scientific discipline leading to new products.

To utilize human capital for sustainable competitive edge and social relevance by including the philosophy of continuous learning and innovation in computer science and engineering.

To provide inculcate team work, to take leadership qualities, professional ethics and social responsibilities.

## Governing Body Meeting

Date: 06-01-2019

Academic Year: 2018-19

Venue: Board Room

Time: 10:30 am.

## Agenda Points:

1. Introduction by Principal & Member- Secretary
2. Welcome address by Chairperson
3. Minutes of Meeting of Previous Meeting held on **20-02-2017** and discussed about follow up action taken for last meeting.
- 4 . Any other suggestions from Governing Body Members are Welcome.

## Minutes of the Meeting:

Meeting was held on 06-01-2019. The minutes of Governing body meeting is as follows.

1. To conduct awareness program on women empowerment and importance of economic independence for girl students by inviting women entrepreneur.
2. To re-start NSS Unit and conduct social welfare activities to create social responsibilities among the students.
3. To conduct PPT s on recent trends in Engineering & Technology to create awareness on technological developments.
4. To conduct more group discussions and mock -interviews to make the students more competitive and instill confidence.
5. To purchase new equipments and chemicals.
6. To give appreciation to the faculty.
