Description	Every year countries around the world celebrate World Blood Donor Day (WBDD). The event serves to raise awareness of the need for safe blood and blood products and to thank voluntary, unpaid blood donors for their life-saving gifts of blood. The global theme of World Blood Donor Day changes each year in recognition of the selfless individuals who donate their blood for people unknown to them. On 14-07-2018 NSS of SCVRITS organized “ BLOOD DONATION CAMP ” at Nearest village. In these program students, Faculty participated and some of them donated blood.

Description	Child marriage's and girls lack of access to quality education are both rooted in gender inequality and the belief that girls and women are worth less than boys and men. There are two-way links between child marriage and girls' education. Education is a powerful path to gender equality, strengthening girl's skills, knowledge and power to challenge discriminatory gender norms On this NSS SCRITS conducted a rally in nearest village to create awareness on child marriage.

Description	Millions of tons of plastics are disposed into oceans and other water sources (i.e. rivers, ponds, etc.). The incorrectly discarded plastics are swept up by large ocean currents, and over time degrade into microscopic particles. These micro-particles may be the cause of various adverse human and wildlife health effects, such as infertility and the inhibition of growth. Decades of research on the plastics used in grocery bags, liquid containers, and utensils have provided the public with useful information regarding their chemical makeup. On this our NSS team conducted a rally on " Plastic-Free Environment " at Nearest village .In these program students, Faculty participated.

Description	<p>Brilliant Grammar School Educational Society's Group of Institutions- Integrated Campus Conducted "Tribute to the Indian soldiers of Pulwama Attack" on 15-02-2021 headed by SCRITS NSS Coordinator.</p> <p>The Pulwama attack on February 14, 2019, was a heinous and cowardly act of terrorism that claimed the lives of 40 Indian soldiers who were travelling in a convoy. This attack sent shockwaves throughout India and the world, and it was a stark reminder of the sacrifices that our soldiers make to keep us safe.</p> <p>Principal of SCRITS addressed the event and interacted with the students on how the soldiers play an important role for India in protection from terrorism (how they protect us from terrorism).</p> <p>We the students and staff of SCRITS, on this solemn occasion, we paid tribute to the brave soldiers who lost their lives in the Pulwama attack. These soldiers were not just members of the armed forces, but they were also husbands, fathers, sons, and brothers who had families and loved ones waiting for them back home. They made the ultimate sacrifice in the line of duty, and their bravery and selflessness will always be remembered.</p>

Description	<p>Brilliant Grammar School Educational Society's Group of Institutions- Integrated Campus Conducted "Tribute to the Indian soldiers of Pulwama Attack" on 15-02-2021 headed by BRIG- IC NSS Coordinator.</p> <p>The Pulwama attack on February 14, 2019, was a heinous and cowardly act of terrorism that claimed the lives of 40 Indian soldiers who were travelling in a convoy. This attack sent shockwaves throughout India and the world, and it was a stark reminder of the sacrifices that our soldiers make to keep us safe.</p> <p>Principal of SCRITS addressed the event and interacted with the students on how the soldiers play an important role for India in protection from terrorism (how they protect us from terrorism).</p> <p>We the students and staff of BRIG- IC, on this solemn occasion, we paid tribute to the brave soldiers who lost their lives in the Pulwama attack. These soldiers were not just members of the armed forces, but they were also husbands, fathers, sons, and brothers who had families and loved ones waiting for them back home. They made the ultimate sacrifice in the line of duty, and their bravery and selflessness will always be remembered.</p>

Description	SCRITS Conducted “ Blood Grouping ” on 03-11-2021 headed by SCRITS NSS Coordinator. Blood grouping is a process of determining the specific blood type or blood group of an individual based on the presence or absence of certain proteins, called antigens, on the surface of red blood cells. The most common blood grouping system is the ABO blood group system, which categorizes blood types into four main groups: A, B, AB, and O.

Description	<p>SCRITS Conducted “Tribute to the Indian soldiers of Pulwama Attack” on 14-02-2022 headed by SCRITS NSS Coordinator.</p> <p>The Pulwama attack on February 14, 2019, was a heinous and cowardly act of terrorism that claimed the lives of 40 Indian soldiers who were travelling in a convoy. This attack sent shockwaves throughout India and the world, and it was a stark reminder of the sacrifices that our soldiers make to keep us safe.</p> <p>Principal addressed the event and interacted with the students on how the soldiers play an important role for India in protection from terrorism (how they protect us from terrorism).</p> <p>We the students and staff of SCRITS, on this solemn occasion, we paid tribute to the brave soldiers who lost their lives in the Pulwama attack. These soldiers were not just members of the armed forces, but they were also husbands, fathers, sons, and brothers who had families and loved ones waiting for them back home. They made the ultimate sacrifice in the line of duty, and their bravery and selflessness will always be remembered.</p>
